

## **Cohoes Community Center Bingo Saturday Night**

No person shall be permitted in the Bingo hall without purchasing an admission card.

No child under the age of 12 shall be admitted to our bingo hall. You may be asked to provide proof of your child's age. The adult is responsible to control the child at all times.

No seats can be saved using daubers or other items.

If a ball is pulled but not called when a bingo is indicated, the bingo will be verified first.

If a number has started to be called and bingo is indicated, that number will be called before bingo(s) are verified. No call of bingo will be honored after the announcement has been made that the game or that portion of the game is "official". It is the player's responsibility to stop the game by raising his or her hand and calling "bingo" loud enough to be heard.

If a false bingo is indicated, that game will continue with the next ball drawn. Only one bingo per card is allowed, but a player may have more than one bingo. No splitting of tickets allowed.

If a power outage occurs prior to the 50/50 game, we will attempt to refund each player half price for the bingo cards. If the outage occurs during or after the 50/50 game, the occasion will be considered over, and no refunds will be made.

All problems, questions and/or disputes will be resolved by the Member in Charge. Their decision is final.

***All of our workers are volunteers and are conducting these games solely to raise money for our organization's lawful purposes. Our volunteers are prohibited from participating in the games in any way. Please do not ask them to watch your cards.***

We thank you for your patronage and support.
