

## A Word on Membership

The Cohoes Community Center, Inc., does not require you to be a **resident** of Cohoes or a **member**. Our facility is open to non-residents and non-members.

Membership is an economical way for families and individuals to make use of our programs and amenities. Membership is recommended for any individual who commits themselves to making use of our facility at least **twice** a week.

**Membership Rates** are first determined by residency within the City of Cohoes (defined as living or working within the City) and then by age bracket. Membership is offered in twelve (12), six (6), and three (3) month tiers.

Patrons can also make use of our “**Easy Payment Plan**,” which is offered only for the twelve (12) month tier of membership. (*Please note: Easy Payment is available for the family bracket of membership*). Consider the Easy Payment Plan as a “lay-away” on your membership, where you make payments each visit toward your membership fee.

Currently all of our membership fees are to be paid up front at the time of the origination of the membership. If you have any questions about our membership plans, please feel free to contact us.

Thank you,

The Cohoes Community Center
